

LOGOS SCHOOL

A Classical & Christ-Centered Education

Dear Parents and Students,

At the core of our Logos School values our desire is to always bring honor and glory to God and point others towards Him. In light of this, we have adopted a Uniform Policy. Please refer to our Parent/Student Handbook to learn more about why we believe a uniform policy would be pleasing to God. It is our desire that by following this policy we can create an environment that allows us to focus on learning without the distractions of appearances or social status. Our culture is that of order and characters with discipline. Our uniform policy is an outward example of how we can live out our culture.

We rely heavily on parent involvement to make this policy a success. It is important we are reminded that we are part of the Body of Christ and His image bearers. This helps us see it is not about ourselves but Christ and those around us. May we present ourselves as a community focused on the Triune God with the intent of learning in a modest, orderly, and disciplined fashion.

Sincerely,

Logos School Board

Logos School Uniforms

School uniforms help to identify your student as part of the Logos School community and will be required to be worn daily by all students enrolled in Logos School. School uniforms will be purchased from the approved vendor list.

The following items do not need to be purchased from the approved vendor list:

- Socks
- Shoes
- Modesty shorts
- Leggings/tights
- Belts
- Spirit wear (will be purchased through Logos School)

Spirit wear:

Spirit wear days will be specified and announced in advance. On these days students will be able to wear any Logos School spirit wear shirt with jeans or uniform pants/shorts. Students may wear any closed-toe tennis shoe. Spirit wear is not mandatory, and students can choose to wear regular school uniform on spirit wear days.

Other school activities:

School activities and events outside the school day students will be expected to dress modestly and appropriately to the planned activity.

Uniform Guidelines:

All uniforms should be clean, neat, and of the appropriate size for the child and in good condition (no worn or frayed edges). Students are expected to be well-groomed and in uniform at the start of each school day. The length of shorts, skirts, and dresses must be no shorter than two inches above the knee. (Consider buying at knee length at the beginning of the school year in anticipation of growth. Know if your child has significant growth within the school year, additional uniform items may need to be purchased to stay in compliance.)

- Socks must be worn with no words or symbols and can be white, navy, or black.
- Belts must be either brown, navy, or black.
- Modesty shorts must be worn under dresses, jumpers, and skirts if they are not skorts. These shorts can be black, navy, gray or white.
- Leggings, tights, or knee-high socks may be worn under/with dresses, jumpers, and skirts/skorts. The leggings, tights, or socks can be navy, gray, or white. (Dresses, jumpers, and skirts/skorts still need to be no more than 2 inches above the knee)

- Shoes must be a closed toe tennis shoe or flat-bottomed closed toe dress shoe. Shoes may be black, navy, white, gray, or brown. Dress boots are allowed. Accent colors are allowed but must be subtle. No neon, glitter, or light up shoes.
- Girls' hair accessories (hair ties, headbands, clips) must be neutral/ school colors.
- White undershirts may be worn and must be tucked in.
- When wearing Navy shorts/pants/skirts, shirts must be either white or light blue.
- When wearing a layered outfit (jumpers, or sweater vests) the outer layer must have the Logos School patch.
- All tops must have the Logos School patch. This can be either the purchased iron-on patch from the school office, or embroidered through our approved vendor, Artistic Image.
